Hi Cat,

Nice to hear from you. I'm CCing George Hakopiants in addition to Sean. I will defer to them on this topic; George and/or Sean would be the best points of contact from our office on this topic.

Regardless of their availability on this date, I know we are happy to share information with you at any time regarding all the resources and work we are doing in CD13.

I'd also recommend you reach out to Privacy Privacy who is working to bring more services to the area. She can be reached at Privacy Privacy Privacy.

Best Wishes,

Dan Halden

Hi Dan and Sean!

I'm getting a panel together for the Los Feliz/Atwater/East Hollywood Homeless Count Presentation and would love to have a CD 13 rep on the panel. We've got Douglas from The Center confirmed so far. I was hoping either of you would be able to make it because you both are so well versed in homelessness and would be an incredible resource on what's going on in CD 13 in terms of homelessness.

The presentation is on Thursday, June 27th at 6:30 PM. We are getting a LAHSA presentation and have a panel of service providers and nonprofits. We are currently confirming a location space and will get back to you shortly with the details. Are you free that evening?

Here is the schedule:

6 PM Doors Open and guests will explore the organizations tabling at the event and mix and mingle

6:30 PM Presentation by LAHSA on the numbers

7:00 PM Panel discussion to discuss homelessness

7:45 PM Discussion of the Bridge Housing Site on Riverside Dr.

7:55 Questions from the audience

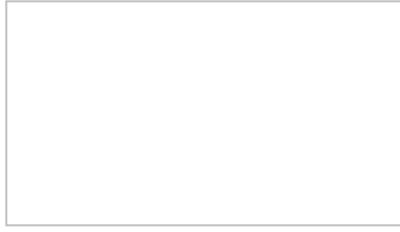

8:30 End of event.

Really hoping you could make it!

Hi Sean,

What do you think about doing this together? I feel like there's so much going on between the two of us, it would be good for the office if we both took part

Let's talk

My two cents (not that you asked, but): You should both go together. I completely agree with GH. We should definitely have a presence, and it does seem like it will pertain to both of your field areas.
